Criteria and Guidelines for Film LA DRP Referrals in the Santa Monica Mountains

Updated: May 1, 2018

Information to be asked by Film LA:

- Specific location(s) for filming, simple site plan/pinpoint on aerial image where filming will occur. Photographs of area to help clarify, if needed.
- Will new construction of any set or set material be required?

- What type of equipment will be utilized for filming activities, and where will the equipment be stored? Are any generators or other fuel sources proposed?
- How many crew will be on set? What are the proposed hours of operation, including set and strike?
- How many trucks, trailers, and other vehicles or machinery will be on set, and where will they be stored? Have the production list the types of machinery (for example, cranes, fans, trucks, generators, special effects equipment, etc.).

5. Projects which do not involve the alteration of the physical environment, such as the staging of equipment and crew, including trucks and other large equipment for filming (fans, wires, cranes, etc.) and where the potential for noise, lighting, air quality impacts is not significant.

Situations where DRP may want to review filming event:

1. Events using wildlife or domestic animals in sensitive habitat areas (want to look at animal containment and cleanup programs when events are near sensitive habitats)
2. Construction or modification of temporary or permanent structures and any structure that would normally require a building permit.

7. The production company will be invoiced for any additional spaces occupied by cast/crew members' cars, equipment vehicles and cone-off spaces.

10. Cancellation of a parking contract must be done at least one day prior. Refunds will be given within ten to twelve weeks.

11. A parking contract does not constitute a film permit.

12. Sign removal in L.A. County parking lots is prohibited.
